To Assemblywoman Grace Meng,

I am writing from Infoserve Technologies Institute regarding the contributions of the US veterans returning from the War in Iraq. The board of directors decided they would like to provide 5 scholarships to 5 of the US veterans for one semester. Our IT classes consist of: Web Design, Business/Retail Management, Quickbooks, AutoCAD, CCNA, Medical Billing, and Oracle Database Analysis. Further details can be seen from [Infoserveinstitute.com](http://Infoserveinstitute.com).

We'd like your office to represent Infoserve Technologies Institute and help reach out to the returning US veterans to provide this service.

If you have any further questions please contact me at (718) 888-9495  
Thank you very much for your time,

Grace Shyu  
VP of Admissions
